

Continuing Education Format Options

WE HAVE CURRENTLY DISCONTINUED OUR CD ROM FORMAT OPTION.
WE SUGGEST ORDERING AN ONLINE PACKAGE AS A COMPARABLE REPLACEMENT FOR THAT OPTION.

****OUR MOST POPULAR ENROLLMENT OPTIONS****

1.) **UNLIMITED ONLINE PACKAGE** - With this package, you will get ONLINE ACCESS to all of our 1, 2, and 3 hour courses. In addition this year you will also get access to an 8 hour course on Hepatitis. Upon successful completion of a course you will be able to print out a valid certificate from the internet. 

2.) **GENERAL COURSE OPTIONS** – These options include all courses except the Unlimited Online Package listed above.

- **ONLINE COMPLETE COURSE** - This option gives you access to the course material and quiz ONLINE. Upon successful completion of the online quiz, you will be able to print a valid certificate of completion from the internet. 
 - **HOMESTUDY COMPLETE COURSE** - With this option, you will receive PRINTED course material and one set of Scantron sheets. Upon completion of the quizzes, you will mail in the Scantron sheets for grading. Once you successfully pass the quiz, we will mail you back a certificate of completion. Please allow 3-4 weeks for grading.
 - **ONLINE QUIZ ONLY** - With this option you would receive access to the ONLINE quiz only. You would need to have access to the reading material in order to complete the online quizzes. This is a good option for those sharing the package with other co-workers, where one person purchases the complete course option. 
 - **SCANTRON ANSWER SHEET ONLY** - With this option you would receive one set of Scantron answer sheets. You must have access to the reading material **AND** written quiz in order to choose this option. This is a good option for those sharing the package with other co-workers, where one person purchases the complete combo option. Answer sheets get mailed back to our office, so allow 3-4 weeks for grading & mailing time.
