

## Course Format Options

### Understanding the Course Formats:

Last Rev: 9/1/23

#### Online Complete

With the Online Complete format, the purchaser receives the reading material in an online document –PDF file or PowerPoint– and completes the quiz online. One copy of the reading material and quiz may be printed out to work offline or can be saved for future reference. Remember to save a copy of the document **before** completing the quiz.

#### Online Quiz Only

With the Online Quiz Only format, the purchaser only receives access to the online quiz. You must have access to the reading material, either through a coworker, your employer, or you can purchase the 'Printed Combo Book Only' option to pair with the online quiz. Most people print out a copy of the quiz & work offline, before entering their answers in the live quiz.

#### Printed Book Only

With the Printed Book Only format, the purchaser will receive the printed Combo material mailed to them via the US Post Office. This can be purchased on its own or paired with an Online Quiz or Answer Sheet. This option has a shipping fee added, plus tax when shipped to FL. Copies are Black & White, with 3-holes punched, **YOU supply the binder**. **NOTE:** This option is ONLY available with the Florida & Laboratory Combos.

#### Answer Sheet Only

With the Answer Sheet Only format, the purchaser will receive a printable Answer Sheet which can be faxed back to our office or uploaded into your online profile. **YOU** will print your Answer Sheets from your "My Courses" list – this will allow you to reprint the sheets as needed. **NOTE:** This option is ONLY available with the Florida & Laboratory Combos.
